NORTHWESTERN BINDERY

Index to MACHINERY

A

Abrasive Machine Tool Co.:
Exhaust Attachment for Surface Grinding Machine ... 182
Surface Grinding Machine ... 700
Abrasive, Using Alundum as a Polishing ... 520
Abrasive Wheels, Dawsearl Finger ... 389
Accident Costs Part of Production Costs ... 961
Accidents are Preventable? How many of these.. 130
Accountants Association, Industrial Cost ... 36
Acetylene-driven Automobiles ... 629
Acetylene Generator, Imperial Automatic ... 90
Ackerman, A. H., Personal of ... 401
Acklin Stamping Co.:
Dies for Producing Conical Part ... 772
Acme Machine Tool Co.:
Tooling Acme Turret Lathes ... 5
Acme Thread, Special Form of. H. A. Pearson. 30
A. D. Knurling Tool Co.:
Hand Knurling Tool ... 607
Adams, Ogden R.:
Better Relations between Machine Tool Manufacturer and Dealer ... 743
Adapter for Long Work. I. F. Yeoman ... 573
Adapter, Phoenix Draw-in Chuck ... 912
Adler, Alphonse A., Personal of ... 204
Advance Furnace & Engineering Co.:
Heat-treating Furnace ... 198
Tool-hardening Furnace ... 994
Aerial-Transportation, Commercial ... 75
Aeronautic Section of the A. S. M. E. ... 284
African Industrial Development, South ... 344
Agitator, Oil-pump and ... 912
Agriculture, the "Basic" Industry ... 1103
Air Compressor and Vacuum Pump, Pennsylvania. 605
Air Compressor, Ingersoll-Rand Portable ... 492
Air-cooled Engine, New Automobile with ... 501
Air-hose Couplings, Ingersoll-Rand ... 493
Air-operated Wire Brush, Ingersoll-Rand ... 993
Airplane Engine Parts, Machining ... 233
Airplane, Freight Transported by ... 851
Airplane, What Is Required to Construct a Modern? ... 260
Airplanes in Use on the Continent for Passenger and Freight Service ... 929
Airship, Large New Passenger ... 1099
Air to Power Presses, First Application of Compressed ... 1035
Aitken, George T., Personal of ... 204
Ajax Flexible Coupling Co.:
Flexible Coupling ... 994
Alcohol as a Fuel for Automobile Engines ... 762
Aldeen & Hillman:
Tool-room Laying-out Instrument ... 697
Alden, Jack, Personal of ... 204
Alemite Die Casting & Mfg. Co.:
Coolant Pump ... 1083
Algebra and Trigonometry, Problem Involving. W. W. Johnson ... 792
Allen-Bradley Co.:
Electric Controllers ... 498
Allowances, A System of Fit. Sydney B. Austin. 452
Allowances, A System of Fit. H. K. Griggs ... 887
Allowances, Chart for Determining Fit. J. B. Conway ... 17
Allowances, System of Fit ... 658
Alloy, Aluminum-magnesium ... 66
Alloy for Motor Pistons, Magnesium ... 652
Alloys, Aluminum ... 383
Alloys for Castings and Forgings, Aluminum ... 241
Aluminum Alloy Used for Castings in the United States, Principal ... 58
Aluminum Alloys ... 383
Aluminum Alloys for Castings and Forgings ... 241
Aluminum Automobile Parts, Machining ... 115
Aluminum Automobile Pistons ... 199
Aluminum Castings, Effect of Heat-treatment on Volume of ... 46
Aluminum-magnesium Alloy ... 66
Aluminum Solder ... 731
Aluminum, Working Sheet. A. Eyles ... 1138
Alundum as a Polishing Abrasive, Using ... 520
American Broach & Machine Co.:
Broaching Machine ... 195
Broaching Machine ... 392
Broaching Operations on an Adjustable Jaw Wrench ... 501
Double-head Broaching Machine ... 702
External Broaching on Wrench Jaws ... 897
American Electric Fusion Corporation:
Spot-welders ... 908
American Engineering Standards Committee:
Activities ... 778
Work ... 846
American Foundrymen's Association:
Convention and Exhibition ... 176
Convention and Exhibition ... 1084
American Gear Manufacturers' Association:
Convention, October 27 ... 329
Annual Meeting, April 27 ... 898
Fifth Annual Meeting ... 950
American Galco, Inc.:
Arco Automatic Regulating Apparatus ... 398
American Institute of Weights and Measures:
Notes of Measurements ... 78
American Metal Products Co.:
Shaft Cleaners ... 604
American Metallurgical Corporation:
Furnace ... 198
American Milling Machine Co.:
Milling Machine ... 300
American Multigraph Co.:
System for Production Control ... 647
American Railway Association Opposes the Metric System ... 610
American Society for Steel Treating:
Amalgamation of American Steel Treaters' Society with Steel Treating Research Society.. 176
American Society of Mechanical Engineers:
Annual Convention ... 75
Materials Handling Section ... 78
Annual Meeting Announcement.. ... 170
Annual Meeting ... 228
Aeronautic Section ... 284
Fortieth Anniversary ... 399
Annual Meeting ... 429
Spring Meeting ... 729
The 1921 Spring Meeting ... 858
Spring Meeting ... 940
American Society of Mechanical Inspectors:
Election of New Officers ... 533
American Steel Treaters' Society:
Convention ... 20
Amalgamation with Steel Treating Research Society ... 176
Increase in Membership ... 551
American Welding Society:
Formation of New York Section ... 283
Annual Meeting ... 898
Ames Co., B. C.:
Dial Comparator ... 903
Amstutz, J. B.:
Milling Intermittent Gears on an Automatic Screw Machine ... 1148
Anchoring Babbitt Linings to Castings. M. E. Duggan ... 890
Anderson Bros Mfg. Co.:
Hand Scraper ... 907
Anderson Die Machine Co.:
Vertical Tapping Machine ... 812
Automatic Nut Tapping Machine ... 979
Gear-cutter Grinding Machine ... 1081
Anderson, G. E., Personal of ... 401
Andre Weill & Co., Inc.:
G. B. Spur-geared Chain Block ... 812
Andrew, M. L., Obituary of ... 504
Andrews Rustproofing Laboratories:
Rustproofing Process ... 50
Angerman, C. W., Personal of ... 401
Angle, Formula for Finding Forming Tool ... 580
Angle of Spring Clamp, Finding ... 894
Angle Shear, Dreis & Krump Steel ... 799
Angle Steel Stool Co.:
Steel Bench Legs ... 198
Annealing Barrel, Molding an. M. E. Duggan.. 58
Annealing Pots, Electric Truck for Handling.. 499
Apprentices, see also Training.
Apprenticeship, Modernizing the. Erik Oberg... 220
Apprenticeships and Industrial Relations ... 326
Arbor, Expansion ... 63
Arbor Expansion. H. H. Parker ... 637
Arbor Press, Geier ... 397
Arbor Press, Improved Hercules ... 91
Arca Automatic Regulating Apparatus ... 398
Arc when Milling Keyways, Determining Height of. C. W. Mapes ... 377
Arc when Milling Keyways, Determining Height of. Palmer Hutchinson ... 975
Argentina, Machine Industry in ... 1011
Armor, Method of Making Ancient ... 1105
Armstrong Bros. Tool Co.:
Threading Tool ... 397
Armstrong, Charles H., Obituary of ... 612
Arnold Electric Tool Co., Inc.:
Portable Electric Drill ... 397
Grinding Attachment for Portable Drill ... 498
Arnsfield, J. J., Personal of ... 401
Arrow Pump Co.:
Packing Gland ... 1164
Ashley Machine Works:
"Ashmac" Combination Tool-holder ... 185
Assembling Gears and Collar on Shafts, Jig for. F. Server ... 442
Assembly Conveyors, Progressive. C. W. Starker 831
Assembly Fixture, Small ... 1048
Assembly, Manfacturing for Selective. Earle Buckingham ... 142
Associated Engineers Co.:
Light Fixture Cleaner ... 198
Atkinson, W. S.:
The Efficiency of Worm-gearing ... 315
Atlas Car & Mfg. Co.:
Electric Storage-battery Tractor ... 994
Attachment for Drilling in Inaccessible Places. H. A. Pearson ... 480
Attachment for Drilling Machine. Gustave F. Bahr ... 33
Attachment for Machinist's Scale. Harry Moore. 375
Attachment for Planers, Hanson-Whitney Oil-grooving ... 181
Attachments, Handy Micrometer. H. H. Parker. 275
Attachments, Lathe ... 1164
Austin Mfg. Co., J. L.:
Grinding Machines ... 994
Austin, Sydney B.:
A System of Fit Allowances ... 452
Australia, Industrial Development in ... 672
Australian Industries during the War, Development of ... 114
Automatic Drill Tool Co.:
Drill Jig ... 199
Automatic Lathe, Alfred Herbert No. 5 ... 190
Automatic Lathe, Rockford ... 598
Automatic Lathes for Machining Nash Flywheels. Edward K. Hammond ... 954
Automatic Machine Co.:
Multiple-spindle Profile Milling Machine ... 387
Coulter Shaping Planer ... 590
Results Obtained with Crank-driven Planers.. 1052
Automatic Machinery & Equipment Co.:
Thread Milling and Grinding Machine ... 904
Automatic Machinery Pay? When Does. Albert A. Dowd ... 952
Automatic Screw Machine, see Screw Machine.
Automatics, Electrical Speed Control for Cleveland 81
Automobile Body Panel, Dies for Shaping an. J. Bingham ... 25
Automobile Bodies for Painting, Preparing ... 948
Automobile Connecting-rods, Milling. J. M. Henry ... 1104
Automobile Engines, Alcohol as a Fuel for ... 762
Automobile Export Trade in Italy, Movement to Increase ... 260
Automobile Industry in U. S., Review of ... 793
Automobile Industry, Production in the ... 274
Automobile Manufacture in America ... 501
Automobile Manufacturing Practice in England, Trend of the. Ralph E. Flanders ... 482
Automobile Manufacturing Practice in the Franklin Plant, Special Machines and Fixtures Used in. Franklin D. Jones ... 823
Automobile Parts, Machining Aluminum ... 115
Automobile Parts, Suitable Steels for ... 357
Automobile Pistons, Aluminum ... 199
Automobile Service Brake Covers, Dies for. J. Bingham ... 140
Automobile Steels, British Report on ... 141
Automobile Tires, American Demand for ... 839
Automobile with Air-cooled Engine, New ... 501
Automobiles, Acetylene-driven ... 629
Automobiles into Italy, Removal of Prohibition on Importation of ... 1113
Avery Co.:
Methods in a Tractor Engine Plant:
1 ... 424
2 ... 516
3 ... 641
Axle Lathe, Putnam Heavy-duty ... 808
Axle Plant, Shop Practice in an ... 166
Ayre, V. E.:
Calculations for Inspecting Special Gages ... 37
Measuring Screw Threads by Three-wire Method ... 281

B

Babbitt Lining Die-casting Machine, Centrifugal. 497
Babbitt Linings to Castings, Anchoring. M. E. Duggan ... 890
Babbitting and Reboring Outfits, Detroit Re- .. 994
Babbitting Fixture ... 300
Babcock, A. J., Obituary of ... 404
Badger Tool Co.:
Face Grinding Table for Badger Grinder ... 91
Vertical-spindle Disk Grinding Machine ... 299
Grinder Attachment for Operation on Leaf Springs ... 496
Piston Ring Grinding Machine ... 909
Bahr, Gustave F.:
Attachment for Drilling Machine ... 33
Lathe Center Wiggler ... 72
Flush-pin Depth Gage for Internal Grooves... 277
Baird, Joseph H., Obituary of ... 404
Baird Pneumatic Tool Co.:
Riveter ... 300
Close-corner Riveter ... 300
Riveter for Boiler Flanges ... 397
Truck Frame Riveter ... 607
Combination Punch and Riveter ... 799
Baker, A. J., Personal of ... 304
Baker Bros.
Continuous Production Drilling ... 131
Horizontal Drilling and Boring Machine ... 800
Baker, Charles Whiting, Personal of ... 204
Baker, R. & L. Co.:
Industrial Truck ... 1083
Balancing Stand, Dynamic ... 830
Baldus, P.:
Manufacture of Socket Wrenches ... 868
Baldwin, A. S., Personal of ... 818
Ball & Roller Bearing Co.:
Heim Centerless Roll Grinding Machine ... 583
Ball Bearing Frictionless Center, Snellex ... 299
Ball Bearing Langhaar ... 294
Ball-bearing Lineshaft Box, Fafnir ... 798
Ball Bearings, Effect of Radial Play on ... 474
Ball Bearings for Electric Motors ... 428
Ball Bearings for Machine Tools ... 1169
Ball Bearings, Manufacturing Three-area Contact. 34
Ball Furnaces, Car and Car-and- ... 873
Ball-gaging Machine. Charles Ruiz ... 682
Ball, M. H.:
Bolts for Securing Machines to Concrete Foundations ... 376
Balls and Plugs by Light-wave Method, Measuring. H. L. Van Keuren ... 14
Band Saw, Metal-cutting ... 498
Bardons & Oliver:
Piston-turning Machine ... 908
Barker Wrenchless Chuck ... 196
Barnes & Irving, Inc.:
Straightedge or Folding Rule Attachment... 607
Barrel, Molding and Annealing. M. E. Duggan. 58
Barrett-Cravens Co.:
Hammond "Never-slip" Portable Crane ... 298
Industrial Tractor ... 703
Bars, True Stresses in Rectangular. N. Barnes Hunt ... 77
Bath & Co., Inc., John:
Micrometer Plug Gage ... 795
"Easy-cut" Ground Taps ... 907
Micrometer Internal Thread Gage ... 1070
Bartlett Mfg. Co.:
Bench Shear ... 397
Bassoff, A. B.:
Index-head for Gear-tooth Rounding Machine. 686
Battleships, Efficiency of Electric Drive for.... 323
Bauer & Son, A. E.:
Revolving Knife Wood Trimmer ... 396
Beaman, Charles F., Obituary of ... 1172
Beaman, Elmer A., Obituary of ... 612
Bearing, see also Ball, Roller, etc.
Bearing Races, Dies for Flanges and. J. Bingham ... 225
Bearings, Reliance Self-lubricating ... 610
Beatty Machine & Mfg. Co.:
Vertical Bulldozer ... 1083
Becker Milling Machine Co.:
Planer-type Milling Machine ... 802
Belgian Industry, Resumption of ... 783
Belgian Iron and Steel Industries, Recovery of.. 71
Belgian Machine Shop Industries, Wages in.... 1168
Belgian Patents, Taxes on ... 884
Belgian Standardization Association ... 940
Belgium, Industrial Machinery in France and... 427
Belgium, Machine Tool Trade in ... 1113
Bell & Howell Co.:
Drill Jig and Tool Equipment for Motor Housing ... 1136
Bell, James W., Obituary of ... 404
Bellevue Industrial Furnace Co.:
Drill Grinding Machine ... 813
Forging Furnace with Preheating Oven ... 911
Annealing Furnace ... 912
Bellis Heat-treating Co.:
Heat-treating Furnace ... 1084
Belt Cement ... 515
Belt Guard, Scrap Box and Lumber Rest for a Band Saw, Combination. M. E. Duggan.. 464

Belt, Robert E., Personal of 1088
Belt Sander 199
Belt Shifter, Haskins 497
Belt Shifter, Mechanical 455
Belt Users, Suggestions to 61
Belts, Square Ends for 523
Belting, Pieuvre 1163
Betts Machine Co.:
Moveable Side-rail Planer 1168
Betz, William C.:
Hardening high-speed Steel without Pitting.. 1135
Bench Centers, Cadillac 498
Bench Lathes, Tools and Methods for Manufacturing, Precision. Fred R. Daniels 668
Bench Legs, Steel 198
Bench, Myers Combination Work 1159
Bench Stand for Portable Drills 698
Bending Bars and Plates, Force Required for... 73
Bending Brake, Plate 396
Bending Machine, Leonard Pipe- 986
Bending Machines, Wallace 988
Bennett, Arthur F.:
Turret Lathe Design and Construction..... 127
Bennett, W. Burr:
Taper Reamer Made from Twist Drill..... 575
Jig with Cam-actuated Clamping Arrangement. 680
Berg Burner Co., Inc.:
Oxy-hydrocarbon Burner 96
Bernhard, E. W., Personal of 304
Berrington, R. G., Personal of 304
Bertles, P.:
Chuck for Holding Small Taper Pins..... 1047
Besly & Co., Charles H.:
Double-spindle Ring-wheel Grinding Machine.. 1069
Bessler Movable Stairway Co.:
Tapping Attachments for Drilling Machines... 607
Bettcher, Carl W., Personal of 818
Bevel Gage, Scalbom Die Square and 710
Bevington Metal Stamping Co.:
Wire Straightening and Cutting Machine.... 1066
Bickford-Switzer Co.:
Counterbore 707
Drill Grinding Machine 708
Bielostozky, I. D., Personal of 1172
Biggs Machine Co.:
Tangent-cut Box-tools 810
Bilgram Machine Works:
Cutter Grinding Machine 912
Billings & Spencer:
New Design of Die-Sinking Machine 843
Bingham, J.:
Dies for Shaping an Automobile Body Panel.. 25
Dies Used in the Manufacture of Door Knobs. 68
Dies for Automobile Service Brake Covers... 140
Dies for Brass Curtain Pole Knobs 172
Dies for Flanges and Bearing Races..... 225
Die for Drawing Flanged Conical Rings 276
Dies for Curling Stove Rings 375
Die for Curling Right-angle Stove Trimmings. 440
Dies for Hemispherical, Conical and Other Flanged Shells 546
Curling Die Construction 651
Shell Forming Die 784
Wiring and Flanging Die with Expanding Punch 887
Wiring Die for Water Pails 1059
Black & Decker Mfg. Co.:
Bench Drilling Stand for Portable Electric Drills 198
Two-spindle Drill 299
Combination Wall and Portable Drill 813
Portable Electric Grinder 1068
Black, Robert D., Personal of 1172
Blades, Manufacturing Stellite Cutter 851
Blancke, L. C., Obituary of 913
Blanks for Tool Drawings, Standard. H. P. Losely 786
Blanking Die, Calculation for 579
Blanking, Forming and Piercing Die. F. H. Le Jeune 441
Blanton, George J., Personal of 711
Blower, Compressed Air 1083
Blow-torch, Pumpless 96
Blowpipe, Use of "Oxweld" Cutting 926
Blu, M. A.:
Die for Forming Screw Threads on a Power Press 890
Blueprints, Determining Proper Exposure for. Henry R. Bowman 70
Blueprints to Indicate Their Use, Marking. C. C. Spreen 378
Blueprinting Lamp, Wagenhorst 498
Body Panel, Dies for Shaping an Automobile. J. Bingham 25
Body Truck 300
Boiler Explosions in 1919 644
Boiler Shops, Oxy-Acetylene Welding Applications in 364
Bole, Robert Alexander, Obituary of 913
Bolkovac, Joseph:
Locating Work for Accurate Boring on Milling Machines 373
Bolt Dimensions, Foundation. Edward W. Theilig 46
Bolt Heads, Urgent Need for Standardization of Nuts and 791
Bolts for Securing Machines to Concrete Foundations. M. H. Ball 376
Bonus Basis, Shop Trucking on a. Robert J. Spence 782
Book for Filing and Indexing Computations for Future Reference. B. Spector 479
Book for Recording Materials Used in Machine Construction, Commodity. Hyman Levine.... 1133
Book on Die-casting, New 1151
Book on Mathematics for the Shop Man, New.. 995
Book on Mechanical Drawing, A New 284
Book on Patternmaking, New 384
Book on Shop Mathematics, New 98
Book on Solution of Triangles, New 913
Book on Use of Cutting Compounds, New 1088
Booth for Shop Timekeeper 818
Bores, Reflecting Device for Inspecting. L. E. Olsen 48
Borg & Beck Co.:
Machining Clutch Parts on Turret Lathes... 156
Boring and Drilling Machines, Jones Horizontal.. 994
Boring and Turning Mill, Jones Vertical..... 1162
Boring and Turning Mill, Pulaski Vertical..... 808
Boring and Turning Mill, Sellers 35-foot..... 1065
Boring and Turning Mills, Webster & Bennett Duplex 1067
Boring Attachment, Barnes Cylinder Re- 911
Boring-bar Cutter, Duplex Inserted-blade. H. G. Frantz 278
Boring-bar H. A. Hopkins Expanding 395
Boring-bar, Murchey Adjustable 813
Boring Devices, Taper. W. C. Steuart 962
Boring, Drilling and Milling Machine, Giddings & Lewis 704
Boring, Drilling and Milling Machine, Jones.... 1073
Boring Fixture, Cylinder. William Owen..... 888
Boring Fixture, Cylinder. J. J. Linton..... 976
Boring Head, "Micro-adjustable" 610
Boring Head or Reamer, Adjustable. Francis Condie 48
Boring Head, Rickert-Shafer Adjustable..... 1165
Boring Job, Unusual. C. F. George 787
Boring Machine, Baker Horizontal Drilling and.. 800
Boring Machine, Cylinder Re- 1084
Boring Machine Frames, Machining Car-wheel... 456
Boring Machine, Heavy Duty 259
Boring Machine, Heavy-duty Horizontal..... 610
Boring Machine, Keeler Cylinder Re- 1070
Boring Machine, K. R. Wilson Combination.... 710
Boring Machine, Lubrication System for Universal 88
Boring Machine, Machining Cylinder Liners on a Progressive Rotary Type of 641
Boring Machine, Multiple-spindle Vertical 800
Boring Machine, Storm Cylinder Re- 702
Boring Mill, Colburn Railroad 1072
Boring Mill, Hinckley-Myers Cylinder Re- 908
Boring Mills, Taper Attachment for Cincinnati.. 393
Boring Operations, Indicating Stop for. Harry Moore 684
Boring Outfits, Detroit Rebabbitting and Re-.... 994
Boring Tool, Expansion 96
Boring Tool or Drill for Flat-bottomed Recesses. Joe V. Romig 70
Boring-tool Set, Cascade 912
Borkenhagen, John J.:
Multiple Drill Jig 68
Boston Scale & Machine Co.:
Rotary Surface Grinding Machine 694
Boston Tool & Mfg. Co.:
Filing Machine 1167
Bow, Hugh:
Calculation of Diametral Pitch and Face Width of Pinions 355
Bowls, Machining Cream Separator. Fred R. Daniels 333
Bowman, Henry R.:
Determining Proper Exposure for Blueprints.. 70
Helical Spring Design 790
Slide-rule Kink 893
Bowser & Co., S. F.:
Oil Filtering and Sterlizing System..... 198
Rotary Oil-pump 994
Bowyer, R. H., Personal of 401
Box Cam, Laying Out a. Oscar J. Noliet..... 576
Box-tool for Screw Machines 710
Box-tools, Biggs Tangent-cut 810
Boyd, J. F., Personal of 401
Bracket, Inspection Gage for Generator. J. Lanen 973
Bracket, Simplifying the Deisgn of a Shaft. M. E. Duggan 872
Bradley & Son, Inc., C. C.:
Motor Drives for Hammers 1083
Brake Covers, Dies for Automobile Servic. J. Bingham 140
Brake, Plate Bending 396
Brass and Copper Rods, Extruding. Edward K. Hammond 1
Brass Curtain Pole Knobs, Dies for. J. Bingham 171
Brass Forgings, Making. Edward K. Hammond.. 309
Brass, Fuels for Melting 679
Brass, The Forging of 326
Brazil, American Trade with 168
Brazil, Large Electric Smelting Plant Established in 41
Brazil, Tariff on Catalogues in 881
Bremer Co., O. A.:
Babbitting Fixture 300
Bretts Patent Lifters Co., Ltd.:
Belt-driven 200-pound Forging Hammer..... 658
Brewster Co., William:
Electric Demagnetizing Machine 390
Bridgman, Robert L., Obituary of 1000
Bridgeport Cutter Works, Inc.:
Herringbone Milling Cutters 810
Bridgeport Safety Emery Wheel Co.:
Face Grinding Machine 487
Briggs, C. H.:
Formula for Finding Root Width of Splineways 578
Guide Bushings for Keyway Broaching 767
Briquetting Press for Cast-iron Chips..... 1084
British Engine, A 135-year-old 877
British Engineering Standards Association:
Second Annual Meeting 22
British Exhibitions Planned at Olympia 199
British Industries Fair 457
British Machine Tool Imports and Exports..... 143
British Machine Tool Industry, The:

10 1149
British Research Association 432
British Standard Pipe Thread Gages. Charles Henrichs 942
British Standard for Milling Cutters 515
British Trade Commission Service, Extension of. 1131
Broach Grinding Machine, J. N. Lapointe.... 486
"Broach-well" Keyway Broaching Set 810
Broaching, Guide Bushings for Keyway. Carl H. Briggs 767
Broaching Machine, American 195
Broaching Machine, American 392
Broaching Machine, American Double-head..... 702
Broaching Machine, Work-holding Fixture for. F. William Stein 46
Broaching on Wrench Jaws, External 897
Broaching Operations on an Adjustable Jaw Wrench 500
Broaching Set, J. N. Lapointe Keyway 907
Broaching Set, Velco Keyway 810
Bronze Casting in China, Huge 629
Bronzes, Substitute for 159
Brown & Co., Tom:
Staybolt Chuck 300
Trip for Power Press 300
Brown & Sharpe Mfg. Co.:
High-speed Milling Attachment 483
Depth Gage 1074
Tempered Hook Rules 1074
Center Heads for Combination Squares and Sets 1075
Vernier Calipers 1075
Vernier Height Gage 1075
Toolmakers' Vises 1075
Brown Engineering Co.:
Spring Coupling 804
Brown, Hugh A., Personal of 610
Brown Instrument Co.:
Recording Thermometer 810
Brown, J. Frank, Obituary of 1088
Brown, Spencer K.:
Nut and Screw Driving Machine 397
Broxterman, O. H.:
Developing a Machine Tool Market in China.. 838
Brush, Ingersoll-Rand Air-operated Wire..... 993
Brush, "Thor" Rotary Wire 705
Bryant Chucking Grinder Co.:
Form Grinding Machine 816
Buckingham, Earle:
Inspecting and Testing in Interchangeable Manufacture 52
Manufacturing for Selective Assembly 142
Small-quantity Production Methods 246
Service Factor in Interchangeable Manufacturing 338
Standard Pipe Threads 877
The Odontometer for Testing Gear Teeth..... 1029
Buffer, Combination Grinding Machine and..... 594
Buffing and Polishing Machine, U. S. Electrical Grinding 706
Buffing Machine, Contour 486
"Buhr" Multiple-spindle Drill Head 394
Bull, R. A., Personal of 304
Bullard, Jr., Awarded Franklin Institute Medal. E. P. 301
Bullard Machine Tool Co.:
Obtaining Production on the Vertical Turret Lathe 534
Bulldozer, Vertical 1083
Bureau of Mines, Work of the 442
Burner, Oxy-hydrocarbon 96
Burning Equipment, McKneat Oil- 813
Burning-in and Running-in Machine 911
Burning-in and Running-in Machine 1084
"Burning-in" Machine, Canedy-Otto Universal.. 807
Burrows, Charles W.:
"Defectoscope"—Magnetic Testing Apparatus.. 397
Burwell, P. V., Personal of 504
Bushings for Keyway Broaching, Guide. Carl H. Briggs 767
Bushings with Lubricant Retaining Feature, Drill F. W. Shumard 1097
Business, Department of Commerce to Assist... 840
Business Letters, Concise 636
Business Now. Prepare for 938
Business Training in Engineering Schools..... 120
